"Madhurst", hosted by the Midhurst community from 22nd-30th August 2010, is its first ever weeklong festival in celebration of local Music, Art & Drama. Madhurst has been recruiting and developing the artistic talents of the Midhurst community, forging creative relationships and powerfully linking individuals, local businesses, pubs, restaurants, and charities to culminate in an energy infused recession-busting spectacle of talent from all ages.

The theme, "*Imagine*", sums up the limitless approach to this predominantly free event which will include a "Mad Hatter's Tea Party" launch; a Carnival Procession; interactive art experiences; sculpture; photography; a delicious variety of food using local produce; "Pavement Piano"; "Pavement Canvas"; the River Rother Raft Race; a "Training Run"; and a Music & Drama Festival against the backdrop of the stunning Cowdray Ruins, a firework display and much more.
